

## BEVIS MARKS BURY COURT | LONDON EC3

### The Alchemist, Bevis Marks

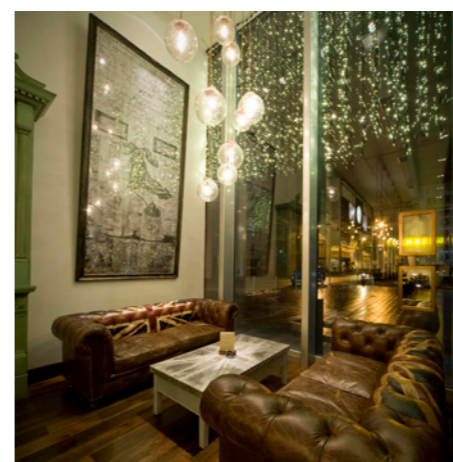

Living Ventures are delighted to introduce The Alchemist to London.

The first Alchemist site to open in the capital will be at 6 Bevis Marks, where it will occupy the spectacular ground floor and rear terrace, along with a unique roof garden bar overlooking the London skyline.

The Alchemist will be one of the best destination bars in the City offering molecular cocktails, craft beers, an extensive spirit selection, fine wines and Champagne.

The food menus will start with daily brunch from 8am through to lunch and dinner with service delivery that is second to none.
